COVID-19 updates for January 19, 2022:

PHO Orders Extended:

On January 17, 2022 B.C.'s Provincial Health Officer (PHO) updated the <u>Gatherings and Events</u> and <u>Food and Liquor Serving Premises</u> Orders.

- · There are no expiration dates for these Orders.
- · Gyms and fitness centres to begin gradual reopening with capacity limits on January 20, 2022.
- · Bars and nightclubs that do not have full meal services continue to be closed until further notice.
- These orders will be reviewed by the PHO by February 16, 2022.

K-12 School Staff Member Vaccination Status Reporting:

On January 17, 2022 B.C.'s PHO released the <u>School Staff Member Vaccination Status</u> Reporting Order to enable local Medical Health Officers to better assess local circumstances with respect to the risk of transmission of communicable diseases in school settings.

- · A board of education, independent school authority and francophone education authority must request proof of vaccination from each staff member and must keep a record of each staff member's vaccination status.
- This order does <u>not</u> apply to post-secondary students or instructors participating in K-12 practicums.
